Chesapeake Bay Program Photo/Graphic Usage Policy

The Chesapeake Bay Program retains the rights to all images used on <http://www.chesapeakebay.net>. Some materials have been donated or obtained from individuals or organizations and may be subject to additional restrictions on use. Permission to use images from <http://www.chesapeakebay.net> must be obtained in writing from the Chesapeake Bay Program Communications Office.

Bay Program content must be attributed as "courtesy Chesapeake Bay Program" adjacent to the content or in the production credits.

Interested Bay Program partners, government organizations, nonprofit and educational institutions may use Chesapeake Bay Program imagery, video and audio material for educational or informational purposes, including photo collections, textbooks, public exhibits and Internet web pages by e-mailing CBP Web Content Manager [Stephanie Smith](#) with the following information: 1) Name of organization requesting permission; 2) Contact person including mailing address, phone number and e-mail address; 3) Description of content and where it is located; 4) Intended use of content (e.g., web, publication, slide show); and, 5) Duration of use.

Map Usage Policy

Maps produced by the Chesapeake Bay Program are for graphical purposes only unless otherwise explicitly stated. While every effort has been made to ensure the accuracy of the data presented given the current technology, the data are often from multiple sources, gathered in multiple ways at different points in time and at different spatial resolutions. Therefore the Chesapeake Bay Program cannot guarantee that the data represented are 100 percent accurate in their positional accuracy or attribute content. The Chesapeake Bay Program assumes no liability for any damages caused by errors or omissions in the data or for misuse, misrepresentation or misinterpretation of the map.

System Monitoring:

This system is monitored to ensure proper operation, to verify the functioning of applicable security features, and for comparable purposes. Anyone using this system expressly consents to such monitoring. Unauthorized attempts to modify any information stored on this system, to defeat or circumvent security features, or to utilize this system for other than its intended purposes are prohibited and may result in criminal prosecution.

Public-Domain Software:

Links are provided to public domain software developed by or for the Chesapeake Bay Program partners. Although these programs have been used by the Chesapeake Bay Program partners, no warranty, expressed or implied, is made by the Chesapeake Bay Program partners as the accuracy and functioning of these program and related program material.

Content Accuracy, Completeness, and Usability of CBP Data and Information:

Information and data served here come from a wide array of state, federal, regional, local, industrial, academic, and stakeholder partners. The Chesapeake Bay Program partners make every effort to provide and maintain accurate, complete, usable, and timely information on our web site. However, some data and information accessed through these pages may, of necessity, be preliminary in nature and presented prior to final review and approval by the appropriate Workgroup, Subcommittee or Committee within the Chesapeake Bay Program. These data and information are provided with the understanding that they are not guaranteed to be correct or complete and are often marked "draft". Users are cautioned to consider carefully the provisional nature of these data and information before using them for decision that concern personal or public safety or the conduct of business that involves substantial monetary or operational consequences. Conclusions drawn from, or actions undertaken on the basis of, such data and information are the sole responsibility of the user.
